Greater Manchester, United Kingdom — 10th February 2026:

Oldham-based alternative punk/post-punk/grunge band **One Dimensional Creatures** are excited to welcome the talented and highly experienced drummer **Piotr Ignatowicz** to the lineup. The band were left without a drummer in December 2025 when **Ventura Petrosino** returned to his home in Italy. Since then, **Aiden Greasley** stepped in as a temporary drummer, performing with the band at their first London show at the Duck and Dive Festival at Signature Brew Haggerston.

After several rehearsals with Piotr, the band say he has already locked in with their energetic, furious live style. He's also begun contributing creatively, adding his own beats and ideas to the new material currently in development.

Bassist and backing vocalist, Ollie Chapman says:

"It's mint to have another amazing drummer in the band, Piotr has already fit in well and I can't wait to get on stage with him".

Piotr's first gig with One Dimensional Creatures will be **Wednesday 5th March 2025 at The Parish in Huddersfield.**
