Manchester, United Kingdom — 6th October 2025:

One Dimensional Creatures are set to unleash a chaotic Halloween launch party for their debut album **Tolerance Paradox** at **The Peer Hat, Manchester**, on **Friday 31st October 2025**. The night will feature full-throttle support from electro-punk beasts **Misery Prize** and alt-rock noise-makers **SINKR**, promising an explosive evening of distortion, politics, and catharsis.

Running from **7:00pm to 10:30pm**, the event marks the band's first full live performance of the album ahead of its official release on **7th November 2025**. Fans can expect a loud, raw, and unapologetically intense set, packed with the band's signature blend of alternative punk, post-punk, and grunge.

Lead singer and guitarist Ste Wilson says:

"This album was built for sweaty rooms and loud nights, so launching it on Halloween at The Peer Hat feels perfect. We're buzzing to play the whole thing live — it's going to be a proper chaotic celebration and we'll be in costume."

The night will also offer exclusive early-bird access to *Tolerance Paradox* on limited edition red vinyl, numbered CDs, and album bundle deals available only at the show.
