**Oldham, Greater Manchester, United Kingdom — 12<sup>th</sup> February 2026:**

One Dimensional Creatures are excited to announce the upcoming release of their massive new single, **Favourite Saprophyte**, landing on all streaming and download platforms on 6<sup>th</sup> March 2026. This track is the final single from their debut album *Tolerance Paradox*, which launched to strong reviews on 7<sup>th</sup> November last year.

Favourite Saprophyte is a drum-fuelled, angry, fuzz-soaked guitar beast with lyrics centred on addiction. Ste's voice cracks and strains as he sing-shouts the verses before the track erupts into a flowing, melodic, sing-along chorus. It's a crowd-shaker — loud, cathartic, and built for the stage.

Lead singer and rhythm guitarist, Ste Wilson, says:

*"This song literally sounds massive; it's loads of fun to play live and gets people moving, it's a good one to start a set off with a bang."*

The cover art — created by **Tony Leavy & Ste Wilson** — features the billionaire parasite character from the *Tolerance Paradox* album artwork, reimagined for the single.

One Dimensional Creatures will be performing **Favourite Saprophyte** at all upcoming gigs. Fans can catch the band next at **The 1 in 12 Club in Bradford on 21<sup>st</sup> February 2026**.

### **About One Dimensional Creatures:**

One Dimensional Creatures — also known as One Dimes — are an alternative punk/post-punk/grunge four piece from Greater Manchester, UK. Their sound blends heavy distorted guitars, angular lead lines, and driving rhythms with politically charged, equality-focused lyrics. The band have accumulated over **380,000 Spotify streams**, with tracks receiving radio play both nationally and internationally. Their influences include IDLES, Soft Play, Sprints, Show Me the Body, Protomartyr, Nirvana, Idlewild, Pixies, Queens of the Stone Age, Joy Division, and Sonic Youth.
