Oldham, Greater Manchester, United Kingdom — 21st October 2026:
One Dimensional Creatures are buzzing to announce the upcoming release of their new single, **Please Bleed in Silence**, on major streaming and download platforms on Wednesday 28th October 2026.

Please Bleed in Silence opens with a raw, ripping, distorted bassline that sets the whole track on edge, it’s fierce, moody drums pound out a danceable rhythm. Ste’s vocals come in saturated and furious, shouting about the destruction of the world. As the tension coils tighter, a stark lead line cuts through the noise, floating above the chaos. Then the chorus hits; unexpectedly fragile, almost ghostly, repeating the plea from those in charge: “Please bleed in silence.”

Lead vocalist and guitarist, Ste Wilson, says:

> “*The track is about the devastation caused by governments and corporations and how they actively try to prevent people speaking out and standing up for what is right.*”

The single contains both the explicit version of the track and a clean, no swearing radio edit. A creepy accopanying music video will drop on release day on YouTube. The track will feature on their, yet to be named, second album.

Fans can catch the band next at **Northern Guitars Café Bar in Leeds on 12th December 2026 for their double headline gig with Claudia.**
