Greater Manchester, United Kingdom – 02nd October 2023: Alternative postpunk/grunge band, One Dimensional Creatures, release their first EP, Baited Chains (Limited Edition), on CD with a numbered limited run of 50 CDs. The EP features the band's first three singles 'Media Mass', 'Bleed The Markets', and the soon to release 'Peter Pan' along with their radio edits and an exclusive acoustic track 'Trickle Down Effect'. The release also features a reversible cover with a chain made of fishing hooks baited with a surreal £20 note on one side and a black and white picture of the band looking moody on the other.

The 6 track CD will initially only be available at gigs and live shows. Frontman, Ste Wilson, says "*Once the initial numbered run of 50 has sold out we might do another un-numbered limited run of 100 or 200 and make them available online as well. For now, we are just selling the numbered 50 at gigs and when they're gone, they're gone*".

Until Peter Pan drops on 25th October 2023 Baited chain is the only place you can listen to it and the acoustic version of 'Trickle Down Effect' is exclusive to this EP.
