Greater Manchester, United Kingdom – 25th October 2023: Manchester based alternative postpunk/grunge band, One Dimensional Creatures, are excited to release their third single, Peter Pan, on streaming and download platforms today. Peter Pan is a grungy guitar based alternative rock track with lyrics that focus on how we live in the shadow of the rich and powerful, and how the 'game' is weighted against us from the very start. The single features both the explicit version and the clean radio friendly radio edit.

Lead guitarist, Chris Tighe, says *"The speed and anger of the guitars really drive home the meaning of the track"*.

Peter Pan will feature on the band's, yet to be named, debut album and they will be playing the track at gigs from now on.
